SIP REPORT -AOM

SIP Report

Batch – MBA (AOM) 2022-2024

Placement Season 2022-2023

About SIOM

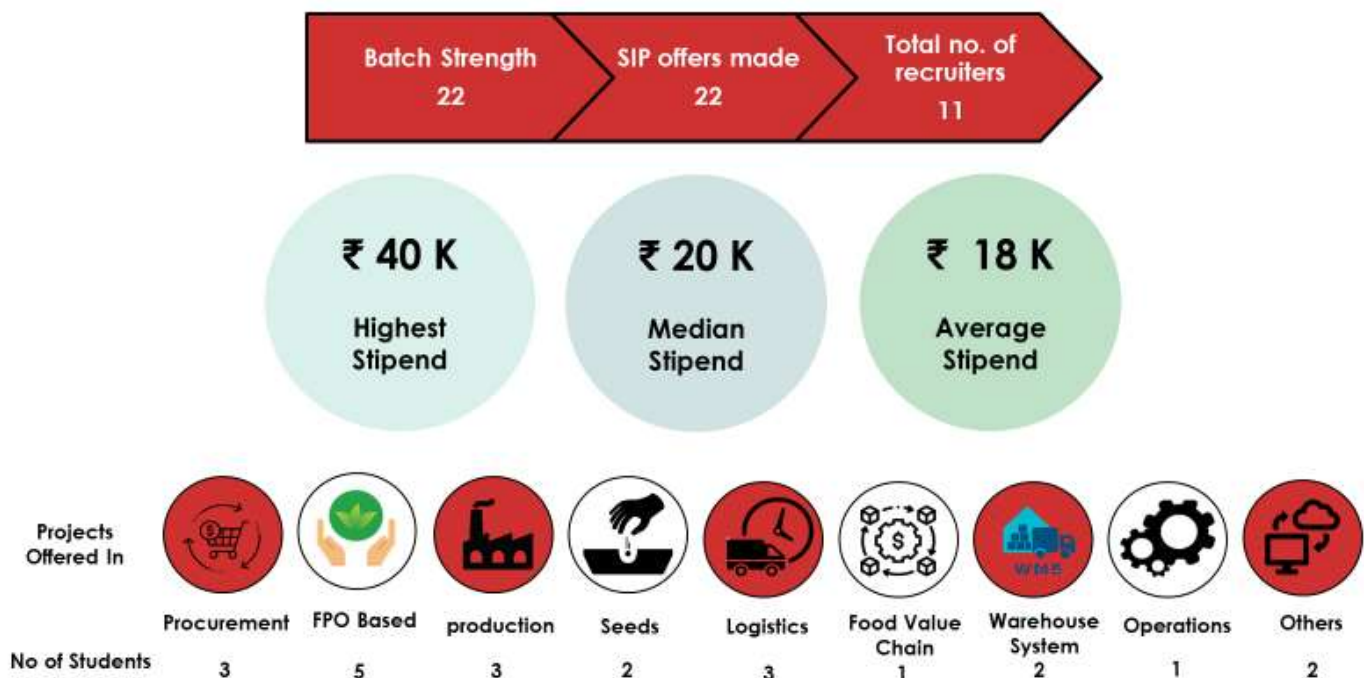

Symbiosis Institute of Operations Management, under the gamut of the prestigious Symbiosis International (Deemed University), is an educational institution that crafts for itself a niche position by adopting an MBA curriculum specialized in Operations Management and Agri-Operations Management. With a vision to empower and lead Operations Excellence, SIOM strives to produce potential leaders with great technical, practical, analytical, and people skills. As businesses are moving towards a more sustainable model, business operations are becoming an integral part of strategic business decisions. Keeping this industrial metamorphosis in mind, Symbiosis Institute of Operations Management, Nasik is committed to redefining the boundaries of operations excellence since its inception in 2005.

About AGRI-OPERATIONS MANAGEMENT

MBA (Agri-Operations Management) is designed to meet the needs of Agro-based and allied sectors of the economy. The course is oriented to fill in the void of operations competencies needed to successfully drive through the complex dynamics of global economies. Students are equipped to manage agro based Process Improvement and Management, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, and many more given the capacities and expertise gained during the course.

The batch of MBA-Agri Operations Management 2022-24 is a mix of students coming from diverse backgrounds with a good blend of freshers and candidates with work experience. The student's yearn for excellence is evident from their immaculate performance.
