Overview
MBA-OM 16-18

From the Director's Desk

Dr. Vandana Sonwaney

Director, Symbiosis Institute of Operations Management.

Symbiosis Institute of Operations Management (SIOM), an exclusive competency-building institute is the B-school, where prospective managers are fostered with the amend operations centred curriculum. For all these years, it has been an exhilarating journey for SIOM, as it develops into a world class Center of Excellence in Operations Management. SIOM has been driven by passion for contributing to Operations Excellence – a vision shared, lived and breathed by every stakeholder of this institute. SIOM's leading-edge curriculum is a huge provocation for the multiple business perspectives which are required for laying the foundations as an effective Techno-Business Manager. SIOM is strongly aligned to an educational paradigm that focuses on empowering students with appropriate life skills and a sound knowledge domain bearing particular relevance in the context of a globalized world. Last year SIOM could attract corporate offerings from around 85 companies, covering 61 profiles and encompassing around 12 sectors. Some of the prime profiles offered at SIOM include, ERP Consultancy, Supply Relationship Management, Product Development Planning, Operations Planning and Control, Procurement Planning, Business Intelligence and many more. SIOMites are making prominent marks in sectors such as Consulting, FMCG, Manufacturing, IT/ITES, Logistics and E-Commerce. Our commitment to dynamism and progression is a continuous process blended with the traditional and modern techniques of learning leading to authentic leadership and competencies in Operations arena. I welcome you to this niche B school for your talent acquisition.

Prof. Yashomandira Kharde

Placement- Incharge, Symbiosis Institute of Operations Management.

Symbiosis Institute of Operations Management, being the only institute solely dedicated to Operations Management firmly believes in its vision of Empowering and Leading Operations Excellence. The Final Placement Season of 16-19 batch witnessed a remarkable boost in terms of the companies that visited the campus. The placement season was successfully completed with 100% placements, with 131 offers including 21 PPOs and the highest package of 21lpa. A total of 60 companies participated in the placement's process and offered coveted roles across domains. The Batch of 2017-19 implemented the practical knowledge to the respective domains in their Summer Internships and helped to bolster the spectrum of sectors in Operations. The upcoming batch of 2018-20 comes from a diverse background and with their vigor are on their path to continue this legacy. On the successful conclusion of this year's placement season, we would like to extend our immense gratitude to the industry for putting their faith in our students and our illustrious alumni who have been a constant support to their alma mater. We would also like to appreciate our Placements Committee for their relentless and untiring efforts.
